

IN HONOR OF REVEREND EUGENE
L. NEVILLE OF FOXBORO, MA

HON. STEPHEN F. LYNCH

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Monday, October 3, 2011

Mr. LYNCH. Mr. Speaker, I rise today to honor the Reverend Eugene L. Neville, in recognition of his outstanding contributions to the State of Massachusetts and the religious community, and to commend him for over 30 years of his dedicated service.

Reverend Neville was born in Roxbury, MA and was educated in the Boston public school system, graduating from Roxbury Memorial High School in 1960. He later attended Barrington College in Rhode Island, where he graduated with a B.A. in Bible and Theology in 1969. He continued his theological education at Gordon-Conwell Theological Seminary in Hamilton, MA in 1972, graduating with honors. Reverend Neville also participated in post theological studies at Andover Newton Theological School, Boston University School of Theology, and Harvard Divinity School.

It was at the historic Peoples Baptist Church, under the pastorate of the late Reverend Dr. Richard M. Owens, where Reverend Neville was first called to prepare for his Christian Ministry. Subsequently, he served under the mentorship of Reverend Dr. Michael E. Hayes, Pastor of the Twelfth Baptist Church in Boston, MA, where Reverend Neville was formally ordained as a Baptist Minister. In 1975, he assumed his first pastorate at Messiah Baptist Church in Brockton, MA, where he served for 6 years. In 1981, Reverend Neville founded and became the pastor of Mount Moriah Baptist Church; under his leadership, Mount Moriah has established over 30 ministries and has become one of the most influential churches in the City of Brockton.

Reverend Neville has also been dedicated to helping the greater community. He served for 4 years at The Hymn Foundation in Boston as the first Project Director for the Black Church Capacity Building Program. This program connected Black churches with local philanthropic foundations, and provided grants up to \$8000 for their social outreach ministries. Reverend Neville has been instrumental in establishing several non-profit organizations within the church for the benefit of the greater community, such as the Amara Community Center, which has provided over 2500 children, youth, and adults with computer training and their own personal computer. Additional projects include the Higher Education Resource Center, which has assisted hundreds of first generation youth to achieve acceptance to, and remain in, college, and the Emergency Food Ministry, which is comprised of a large food pantry serving hundreds of families twice a month as well as a soup kitchen ministry serving numerous homeless individuals every Tuesday afternoon. Reverend Neville is a man of God with a vision to help individuals, families, churches, and community organizations address and overcome the challenges of this generation.

Reverend Neville is married to Ruth and they have 2 adult daughters and 5 grandchildren; he and his wife presently reside in Foxboro, MA.

Mr. Speaker, it is my distinct honor to take the floor of the House today to join with the

family, friends, and contemporaries of the Reverend Eugene L. Neville to thank him for his remarkable service and dedication to the religious community in the State of Massachusetts.

PERSONAL EXPLANATION

HON. MICHAEL M. HONDA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, October 3, 2011

Mr. HONDA. Mr. Speaker, on September 23, I was unavoidably detained in a meeting with the President of the United States, and so I was not present several of the rollcall votes on amendments to H.R. 2401 held that day. Had I been present I would have voted:

"Aye" on rollcall 728, the Welch Amendment to add the Chair of the Council on Environmental Quality, the Secretary of Health and Human Services, and the Director of the Centers for Disease Control and Prevention to the interagency committee that the bill would create, and to direct that committee to look at important health impacts on the most vulnerable populations (such as children and the elderly) that would be affected by EPA's proposed rules.

"Aye" on rollcall 729, the McNerney Amendment to direct the interagency committee to examine the effect on clean energy jobs and clean energy companies, including those that export clean energy technology, to the items to be considered in the analyses required by the bill.

"Aye" on rollcall 730, the Moore Amendment to ensure that the interagency committee will analyze the impact a rule or action could have on low-income communities and public health.

"Aye" on rollcall 731, the Capps Amendment to require the interagency committee to include in its analyses an estimate of the incidence of birth and developmental defects and infant mortality that would result from a delay to covered rules and covered actions under the bill.

"No" on rollcall 732, the Kinzinger Amendment, which seeks to add regulations that have not even been proposed to the list to be analyzed by the interagency committee.

"No" on rollcall 733, the Dent Amendment, which would further undermine environmental protections by adding EPA's National Emission Standards for Hazardous Air Pollutants from the Portland Cement Manufacturing Industry and Standards of Performance for Portland Cement Plants to the rules the must be examined by the interagency committee created by the bill.

"Aye" on rollcall 734, the Hastings (FL) Amendment to exclude from the interagency committee's review all rules and regulations that already undergo a cost-benefit analysis.

"Aye" on rollcall 735, Connolly Amendment No. 8 to require the interagency committee to study policies which will lead to creation of American jobs in the pollution control and clean energy sector.

IN HONOR OF MR. EDWARD ZAJAC

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Monday, October 3, 2011

Mr. KUCINICH. Mr. Speaker, I rise today in honor of Mr. Edward Zajac, who is being posthumously inducted into the West Tech High School Hall of Fame by the West Tech Alumni Association.

Edward was born in Cleveland, Ohio in January 1926 to his parents, who were Polish immigrants. He graduated Valedictorian from West Tech High School in 1944 and was drafted by the U.S. Army to serve during World War II. He was a radioman in a tank division in Europe and was stationed with the U.S. Army Intelligence in southern Germany until being discharged. He married Brooky Mary Calhoun in 1954. They were married for 54 years. Following his stint with the U.S. Army, Edward graduated from Cornell University as Valedictorian with a degree in engineering, a Masters degree from Princeton University and a doctoral degree from Stanford University.

For 30 years Edward worked at AT&T's Bell Telephone Laboratories in the mathematics research unit and later as head of economics research. In 1963, as an engineer, he created the world's first computer animation. His animated films became internationally known and garnered him awards from the U.S. and abroad.

Following his career with AT&T, in 1983, Edward moved from New Jersey to Arizona and became chairman of the University of Arizona's Eller School of Managers' economics department. As a professor and later, professor emeritus, Edward published numerous articles and two texts for graduate level courses. His former colleagues have since established a prize for doctoral students at Arizona University in his honor.

Mr. Speaker and colleagues, please join me in honoring the memory of Mr. Edward Zajac as he is named to the West Tech High School Hall of Fame.

IN RECOGNITION OF THE 10TH ANNIVERSARY OF THE HARLEM ARTS ALLIANCE, INC. AND IN CELEBRATION OF HARLEM ARTS ADVOCACY WEEK 2011 "HARLEM ARTS & CULTURE: RESURGENCE AND RENEWAL"

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, October 3, 2011

Mr. RANGEL. Mr. Speaker, today I rise with great Harlem and cultural pride to recognize the 10th Anniversary of the HARLEM Arts Alliance, Inc. as they kick off their Fifth Annual Arts Advocacy Week 2011 at the Riverside Theatre at Harlem's New York City Landmark—The Riverside Church. The Riverside Church is the tallest Church in the United States known for its elaborate Neo-Gothic architecture, which includes the world's largest tuned carillon bell.

The HARLEM Arts Alliance, HAA, is a not-for-profit arts service organization committed
